**1** Made from 100 percent recyclable materials, Zintra Organic Etch from **MDC** meets Global Recycled Standards, reducing noise and indoor pollutants while ensuring easy cleaning and a Class A fire rating. [MDCWALL.COM](http://MDCWALL.COM)

**2** Papier-mâché and hand-dyeing techniques were used to create Insieme from **Innovations**. Cotton yarn is dyed, stretched over a wooden frame in a geometric pattern, immersed in a solution of cellulose pulp, and sun-dried before being layered over a textural mica backing with a subtle sheen. **3** Roots from **Tempaper** is handwoven with sustainable materials such as sisal, cork, and jute, and colored with water-based vegetable dyes. Each grasscloth wallpaper showcases raw beauty and artisanal craftsmanship. [TEMPAPER.COM](http://TEMPAPER.COM)

**4** **LATOxLATO** collaborated with Italian brand Inkiostro Bianco on a series of evocative metaphysical wallpapers. The Bossage design (shown) conjures images of urban streets and enigmatic rooms, taking viewers on an imaginative journey. [LATOXLATO.COM](http://LATOXLATO.COM)

**5** Miami-based artist and textile designer Élan Byrd teamed up with **Lulu & Georgia** on an exclusive collection that includes a grasscloth wallpaper. The Crossmarks pattern (shown) features a motif of brushwork crosses for a layered look. [LULUANDGEORGIA.COM](http://LULUANDGEORGIA.COM)

**6** The Boutique collection from **Fabricut Contract** spans abstract designs, florals, geometrics, and botanicals. Patterns include Fantasy (shown), a grand-scale ombré stripe available in five colorways. [FABRICUTCONTRACT.COM](http://FABRICUTCONTRACT.COM)

**7** The Metals in Motion collection by **MóZ** offers 10 patterns, including Twinkle (shown). Designed with 100 percent recyclable aluminum, the line is suitable for both interior and exterior applications. [MOZDESIGNS.COM](http://MOZDESIGNS.COM)

**8** Inspired by the prismatic topography of Paul Cézanne's art, Kaleidoscope from **Calico** creates an abstract patchwork of color, fusing loose lines with broad washes. Renew (shown) is one of eight colorways available. [CALICOWALLPAPER.COM](http://CALICOWALLPAPER.COM)

**9** Available in eight colorways including Amoudi Bay (shown), Santorini Stone from **Phillip Jeffries** nods to pebble beaches and pristine waters thanks to a handpainted and layered design that offers a subtle relief and high shine. [PHILLIPJEFFRIES.COM](http://PHILLIPJEFFRIES.COM)

**10** The soft ombré design of Everest in the Sage colorway, part of **Artaic's** Naturally Refined collection, was created using watercolor techniques to evoke a serene nature. [ARTAIC.COM](http://ARTAIC.COM)
